

The chairman brought before the meeting the proposal of the Education Department to build eight new rooms on the site facing Rydard St and lying between the Museum and the present offices. It was decided to forward a letter of thanks to the Hon the Minister of Public Instruction and to leave the erection of the buildings entirely in his hands with a request that the buildings should be begun as soon as possible

Minutes of meeting held 29th July
were read and confirmed.
Accounts amounting to £376-1-2
were passed for payment.
Report from Education Department's
Inspector of Mines was read, and
gave the Council much satisfaction.
It was decided to publish those
portions of the report having reference
to the educational progress of the
School.

The report of the Training Committee
detailing the machinery to be
asked for from the Mines Dept
was received and approved.
The Director's report for the
month was adopted after being
read.
