 read and adopted
 A letter from the Education Department
 requesting the Council to take charge
 of the forthcoming examinations
 was read and on the motion of
 Lieut Col. Williams seconded by Cr
 Middleton it was resolved to com-
 municate with the Department
 pointing out the disadvantages of
 Schools supervising their own examinations
 and suggesting that Head Teacher
 of local State Schools or local Inspectors
 be asked to undertake the work, but
 if this be found impossible the
 Council while unable to personally
 supervise the examinations will if
 necessary delegate the matter to the
 members of the School Staff, arranging
 that in so case with a teacher
 conduct the examinations in his
 own subjects - Andrew Anderson
