R. Maddern The Report for the year was received
J. Sherman and adopted.

The President in moving the adoption
of the Report referred to the fact that the
difference between the receipts and
expenditure had been very much
reduced and that there was a very
good chance of new buildings being
erected in the near future.

W. Mitchell referred to the work
done by Mr Brittain F.R.A.S. and
expressed the hope that something
more substantial than was at present
being done for Mr Brittain would
be done shortly -
