to consider the terms on which
the School should be trans-
ferred to the Education Department.
It was resolved that the sub-committee
already appointed be requested to
draw up a list of conditions on
which the control of the school
should be offered to the Education
Department and that one con-
dition be that the school be re-
served for the teaching of technical
subjects as defined by clause 4
Education Act No 2301

38.6.12

Meeting of Subcommittee appointed
to draw up a list of conditions on
which the control of the school should
be offered to the Education Department
was held on Monday 24th June
Present The President, Mr J. Herman
and Mr Scott.

It was unanimously resolved ~~that~~
to recommend the following conditions
to the Council.

- 1 That the Education Department take
over the liabilities of the school up to
30th June 1912
- 2 That the school be reserved for the
teaching of technical subjects as
defined by clause 4 Education Act
no 2301
- 3 That the interests of all students be
conserved who have already entered
upon any of the Schools Diploma
or Certificate Courses be conserved
a by continuing to provide tuition
and facilities for study up to the
present standard throughout these
courses and
b by the issue of these diplomas under
the name of the Rallanah School
of Mines and with the same provisions
as heretofore to maintain the present
standard with respect alike to class-
work examinations and practical
experience.

That the Department's attention be
drawn to the fact that it would be
