Fifteen applications were received and considered. Three applicants were interviewed during the course of the meeting.

It was decided to reduce the applications to two, viz:- Mr. J. Dodds
Mr. R. Ewart.

with a preference for Mr. Dodds.

It was further decided to forward the following three applications to the Department for final selection:

Mr. Dodds

" Ewart

" W. H. Steane.

[Note:-

For the information of Mr. Donald Clarke.

Since the above meeting was held Mr. Middleton has obtained the opinion of the Master Builders who consider Mr. Ewart the better man & that he would have more of the confidence of the Association and the apprentices.

The Council suggests that Mr. Clark should interview Mr. Dodds as well as Mr. Ewart before coming to a decision but that there was no necessity to interview Mr. W. H. Steane.

The successful applicant will be appointed on probation for six months. If he proves satisfactory his appointment will be confirmed.

Mr. Clark is requested to make his decision as soon as possible as it is desirable that work should begin early in March.] W. H. Middleton 22. 2. 15
