

Special meeting of the Finance Committee held on Friday, 9th March, 1917.

To consider applications received for the position of Lecturer in Mathematics and Physics.

Present: The President (Mr W. H. Middleton) in the chair, Councillors J. J. Brokenshire, W. T. Humphreys, R. Maddern and the Principal Mr M. Copland.

Applications from Messrs A. W. Hatfield, C. H. Taylor and R. W. Richards were received and considered.

Mr R. Maddern } Resolved that Mr Taylor be appointed subject
Mr W. T. Humphreys } to his furnishing Mr Copland with satisfactory evidence as to his qualifications

It was decided that Mr A. W. Hatfield be invited to carry on the evening lectures pending a permanent appointment.

Special meeting of the Finance Committee held on the 16th March, 1917.

To further consider applications received for the position of Lecturer in Mathematics and Physics.

Present: The President (Mr W. H. Middleton) in the chair Councillors J. J. Brokenshire, W. T. Humphreys, R. Maddern, R. E. Tunbridge, Mr M. Copland.

Mr Copland reported that he had interviewed Mr Taylor at Benalla. He expressed the opinion that Mr Taylor's experience as a teacher of mathematics was not sufficient for teaching the higher branches of this subject at the School, altho' his qualifications in other respects were excellent.

Resolved
Mr J. J. Brokenshire } That Mr R. W. Richards be appointed
Mr W. T. Humphreys } subject to the approval of the Education Department.
