Re letter B.262 { It was resolved that a letter be sent to the ~~Principal~~ of the Bendigo School of Mines suggesting that they should join with this School in asking the Technical Schools' Association to move in the matter & that a letter be sent to the Secretary of the Technical Schools Association, asking him to convene a meeting of ^{representatives} all the Schools in order that a joint protest should be entered

against certain ~~see~~ provisions in the new classification scheme.

Mr Stubbs & Mr Sederman { Leave of absence was granted to Mr R.W. Richards, subject to arrangement of the time table.

In further reference to the Principal's Report it was resolved that a donation of £10 be made to the Students' Association towards furnishing the Common Room. It was resolved to inform Mr Commons that the Council could not take action ^{in the direction suggested} as the matter was one for private settlement with Mr Smith.

It was resolved that the caretakers of the School should have a fortnight's holiday per annum and that this regulation should be inserted in the Schedule of Caretakers' Duties. At the close of the usual business Councillor Mr. Martin stated that at the recent Town Planning Conference, the minutes of which would be published, it had been decided to accept photographs of industries for publication, and suggested that it might be to the advantage of the School to secure a page in this publication.

Moved by Councillor A.O. Stubbs,
Seconded " " J. Kean,

That Mr Martin's suggestion be referred to the Principal. Carried.

Councillor Martin also suggested that the Course for Civil Engineering be referred to a special committee for review with regard to its practical usefulness and recognition. The following committee was appointed
