Meeting of Sub Committee of Council held on Monday the 8th November 1920 at 7.30 p.m. to consider Mr. Archibald's Report submitted at the October Meeting of Council re the Chemistry Department of the school and the recognition by the University and other bodies of the status of the school's Diploma Courses with students when applying for such recognition.

Present - The President, Mr. H. Middleton in the chair, Vice-Presidents J. S. Vickery and D. Maxwell Esq. F. Barron, Mr. J. Humphreys and the Acting Principal, Mr. H. H. Smith.

An apology was received from Mr. Mantel.

It was resolved that Mr. Archibald's Report on the Chemistry Department be brought under the notice of the incoming Principal and that, in the meantime, this committee make itself conversant with the existing conditions in the Laboratories.

After discussion of the status of the S. M. B. Courses compared with similar courses at the University - It was recommended that the Council push the school's claims on the lines laid down in the Report.
