Carried.

Ed. 1939.

The Registrar was instructed to furnish the
Education Department with the information
asked for in the letter referring to the appointment
of councillors, minus particulars as to their
qualifications.

5. 692.

The Registrar was instructed not to take
any action in connexion with the letter from
the State Accident Insurance Office.
With regard to the suggestion from the Secretary
of the Technical Schools Association re exchange
of students' work the AM Principal explained
that according to the present practice,
the samples are collected from the schools
by the Education Department and are sent
on exhibition to schools who ask for them.

Resolved, on the motion of C^r Skelton
Seconded by C^r Lederman
That this matter be referred to the President

who would bring it before the Executive Council
of the Technical Schools' Association

on the motion of V. P. Maxwell seconded by the Treasurer (Mr Humphreys)
Resolved that Professor A. Mice Smith's
resignation be accepted with very great regret
& that this Council place on record its
appreciation of Professor Smith's long and
distinguished career & valuable service to the
School and their admiration of his distinguished
career.

Carried unanimously

It was also resolved that a farewell be given
by the Council to Professor Smith and that
the arrangements for same be decided upon
by the Finance Committee at a meeting to
be held on Friday 8th December next at 7.30
p.m.

The following new members of the School of Mines'
University College Committee were elected:-
