

27.2.24.

bad weather, resulting in a great loss of time and much inconvenience, besides being bad for the discipline of both schools.

M^{rs} H. H. Smith, Principal of the Art school pointed out that M^{rs} Hill, Principal of the High school would be glad to have the present arrangement altered.

The Principal - M^{rs} A. F. Heseltine stated that there would be no difficulty in making suitable arrangements at the school.

The President - replied that the request of the Deputation was a reasonable one and it was resolved to give the full support of the Council in forwarding the request to the Minister for consideration and approval.
