It was decided to recommend that the fees paid by the Staff ^{for subjects included in their course} since the Principal's report of the 18/3/1925 be refunded.

That in future the Staff must make formal application to the Council for free tuition, otherwise claims will not be recognized.

It was also resolved to recommend that no refund of fees be granted to students unless special circumstances of hardship be proved.

It was decided that in future students class Rolls should be lodged in the office every fortnight for inspection, with a view to ascertaining whether all students have authority for attending classes.
