Text of two motions passed at recent meeting. Shortage of Teaching Staff

The Vice-President, M^r D. Maxwell reported, on behalf of the Visiting Committee that the school had been visited on Tuesday the 19th May. Classes were well attended. Examinations were in progress.

In the Dressmaking Department - The rooms were small, narrow and cramped, and most unsuitable for working in.

It is very desirable that something be done to renovate and enlarge this department in order that students may be enabled to do justice to their work.

The Plumbing, Carpentry and Pottery Departments were also visited.
