

17.8.27

Council (contd.)

6th Chairman Auditor's Reports was referred to the Finance Committee for decision as to the action to be taken.

The reopening of the School Museum on the 26th July and the question of its future maintenance and management was discussed - more particularly with regard to its popularity, by inviting the co-operation and interest of other bodies.

It was resolved that letters be sent to the Man Museum Committee, the Exhibition Commissioners and the City Council stating that it had been decided to form an Advisory Committee consisting of two representatives each from the above mentioned bodies together with two representatives from the School Council and the Principal, Mr. Herlton.

This Committee to act as an Advisory Board to the School Council.

6th Chairman The President - Mr. Middleton and Vice-President Mr. Bawrow were appointed by the Council to act as members of the Advisory Committee.

6th Minutes The following Correspondence was read and received.
