Council (contd)

to mail Mr A. Bowman and to call for
launders applications to fill the position.

It was resolved to purchase
Humphrey's Bradshaw series of plates at the
Hill price of £7-7-0 as recommended in
The Art Principal's Report.

It was resolved that this Council
support the resolutions as passed
by the meeting of Principals held
in Melbourne on 2nd November 1927 and
Prerogative that a letter to this effect be sent
to The Principal of The Working Men's
College who requested this information
in his letter of the 1st December.

It was decided to reply to the
Department's letter of the 25th Novem.
stating that as the present arrange-
ments for the Administrative Works
of the school are considered satis-
factory and are working harmoniously
the Council see no reason why the
Registrar should not continue to
sign all letters in accordance with
the practice observed in the past.

It was resolved to send a
further request to The Department
to expedite the renovations to the
Dressmaking Department.

The fixing of the date for the
Annual Meeting in February was
left in the hands of the President.

A vote of thanks and compliments
were extended by the meeting to the chair
and the meeting closed with

hearty good wishes and greetings
to Council members and Staff
from The President.
