Williamson.

Members of The Cuneba Progress Association visited the school for the purpose of inspecting any exhibits likely to be associated with The Cuneba History.

A glass framed copy of The Pallanet Times Newspaper dated 3rd December 1854 contained in The Museum was inspected and suggested as an interesting relic for exhibition in The Cuneba Hall.

It was resolved that this exhibit together with a framed photographic group of old identities be offered to the Association on loan until such time as the school may require their return.

The Finance Committee was appointed to examine the applications for the position of Art Mistress and make a recommendation to the Minister for appointment.

In connexion with the proposed exhibition of Students Work from the Art School on the 28th 29th & 30th August - at The City Hall it was resolved to invite the Minister or the Director of Education to open the Exhibition, also to ask the Inspectors Messrs C. P. Eltham and M. B. Dean.

Parliamentary Members and Citizens would also be invited to attend - a list to meanwhile be prepared.

It was resolved that a letter of Thanks be forwarded to the Mayor
