The various Staffs of the school are in agreement generally that the vacation should be changed to coincide with show weeks in Melbourne.

This arrangement would convenience the majority, including parents who have children attending two or more schools. It would provide the opportunity for staff to attend Metropolitan Meetings of Teachers as well as facilitate the Annual Educational Visits of students to various centres.

It was resolved that the question of an alteration to the dates of the vacation be made the order of the day for the next meeting.
