

15. 5. 1935.

CouncilThe Visiting Committee

brs. Maxwell and Hornibrook reported that they visited the Plumbing, carpentry, Fitting and Motor Engineering departments and were shown the type of work that is being done by the students. They also inspected the Battery and the Boys Junior Technical School and were very interested in the good work being carried out in all departments.

Authority to sell the Two Head Battery, as recommended in the Principal's Report was granted.

Authority was given for the appointment of P. Allen, student cadet in the Engineering Dept., in place of V. Leddick at a wage of 10/- per week.

br. Barrow Heathcote

The following correspondence was read and received

3. 5. 1935 From F. G. Proctor - Re position on Staff

13. 5. " From A. N. Pickering - Asking for extension of Studentship. brs Maxwell & Juppitt

It was resolved that the President and Principal interview the Dept to see what steps can be taken to clear up the anomalous arrangement whereby Mr Kenneth's position as an officer of this Council on loan to the Melbourne Technical School and the Swinburne Technical College

15. 5. 1935

Council

can be terminated and the position so vacant on this Staff be filled by an officer commensurate with the work of the position now held by Mr Proctor, a 5<sup>th</sup> class Dept. Officer

brs Martin - Maxwell  
Authority was given for the extension of A. N. Pickering studentship during 1935.
