General - Honorarium for Miss R. H. Lonic and Miss A. Jones.

The President said that he had a very important matter to bring forward under this heading. Councilors were all aware of the splendid services which <sup>they</sup> had ~~been~~ rendered to the school during the illness of the late Registrar Mr E. J. Robinson, and since his death. They had undertaken and carried out in a most efficient manner the extra duties which devolved on them and by doing so the expenditure had been saved about £200.

He felt very strongly that a substantial bonus should be paid to them in recognition of their extra services. Mrs Lederman, Maxwell, and Barrow endorsed the remarks of the President and it was then resolved unanimously that a bonus of £100 be granted on the basis of £60 to Miss Lonic and £40 to Miss Jones. (Mrs Barrow & Hudson.)
