Proposed Technical Roll.

Business
out of
consideration.

The President said that the basis for his Roll as now set out by Mr Eltham differed from what was ~~mentioned~~ mentioned by him on his recent visit. In its present form the basis would not be acceptable to either Council Staffs or Public Service Staffs. As it would mean an amendment of the Public Service Act by Parliament it would have to be altered considerably before it would be acceptable and he understood that the leading Senior Schools would be asked to consider the proposal in the near future and offer suggestions.
