

14-2-40

Mr. Lederman congratulated Mr. Maxwell on his conduct of the meeting and said that he would look forward with pleasure to having Mr. Siffeth as Senior Vice-President. Mr. Siffeth was an old boy of the school who had retained his interest and in his opinion the school could look forward to a very successful future.

It was then resolved that the President be advised of the result of the meeting and of Council's unanimous decision to re-elect him President if he would accept the position.

This concluded the business and the meeting closed with a vote of thanks to the Chair.
