Alteration to name of School.

Mr Lynch said that in an age of technical education it appeared to him that the name of the school did not convey to the outside world the meaning it should. He was bringing this matter up for discussion as he felt that the technical side of the school's activities should be given greater prominence in the name.

It was resolved that the matter be referred to the Registrar to make enquiries regarding the procedure that would be necessary in the event of an alteration being considered
