

16-H-41 left in the hands of the Chairman, C. J. M. Barker to effect a satisfactory adjustment.

The Registrar reported that C. J. M. Barker had interviewed him and intimated that a payment of £50 would be accepted by the Commissioners as full settlement of the school council's liability in excess water consumed during 1940.

It was resolved that the sum of £50 be paid and that a regular check on the three months be made.

Excursion

The chairman reported that all arrangements were well in hand for the excursion, to be held on the 2nd April. The committee appointed to make arrangements had decided to entertain at dinner the headmaster of the secondary public school and the local members of the committee.

These gentlemen, with the chairman and representatives of the various associations, would be entertained at dinner at the residence of the chairman.

It was further reported that the chairman and representatives of the various associations would be entertained at dinner at the residence of the chairman.

16-H-41 The Principal's Report was read, received and adopted. Received: C. J. M. Barker & Jones. Adopted: C. J. M. Barker & Barrow.

Reports

Business out of reports

There was no report from the visiting committee as they had not been able to make a visit of inspection. It was decided, at the committee's request, to re-appoint them for the ensuing month.
