said that he favoured the Mayor's suggestion that the Gaol be transferred to outside the City. A plan of the Gaol and Court House could be inspected at the Office of the Ballarat Sewerage Authority and he would endeavour to arrange for a tracing to be taken by one of the School Staff or Students.

It was resolved that the Principal be requested to prepare a comprehensive long range scheme covering all the school departments, having regard to the space available or which may be made available, and to submit same to a meeting of the Finance Committee.

(Mrs Farr & Lederman)

Mr. A. E. William's Re-classification

The Principal reported that he had discussed this matter with the Acting Chief Inspector, Mr. W. R. Dean, who had informed him that the Minister will not consider any re-classification till after the end of the war.

Alteration of Technical Schools Association's Rules

Mr Maxwell reported that he had studied the proposed alterations and in his opinion there was nothing in the proposed alterations to which the School Council could object.

It was resolved that the Association be notified to that effect and that the President, Mr. S. J. Siffert, will be the School's representative on the General

Committee for the year commencing with the next Conference. (Mrs Lederman & Farr)

Greater Recognition by Melbourne University on the issue of Technical Degrees

The President reported that so far he had not had an opportunity of discussing this matter with the Vice-Chancellor of the University or with the Principal of Melbourne Technical College, but would do so at the first opportunity.

Accounts. Accounts amounting to £1243-17-8, vide Chairman's Book, folio 10, were passed for payment. (Mrs Smail & Jones).

Reports The Principal's Report was read, received and adopted. Received: Mrs Smail & Jones, Adopted: Mrs Scanland & Jones

The Visiting Committee's Report was read, received and adopted. (Mrs Lederman & Maxwell) Mr. Nicholson, in reporting for the Visiting Committee, stated that he had visited the Plumbing, Electric Wiring, Carpentry, Engineering and Blacksmithing Shops. All classes were proceeding smoothly and the instructors expressed satisfaction with their equipment.

The small lathes under construction in the Machine Shop were an excellent job and should prove useful additions to the equipment.

Business On the recommendation of the Principal the following authorities were granted.
