Business Art School Lighting

Minutes The Principal reported that he had
inspected the lighting in the Light and
Shade Room and was of the opinion
that more powerful globes would solve
the difficulty.

Old Court House

The President reported that he had
interviewed Mr. S. J. Hollway, M. H. A. in
reference to this matter, and Mr. Hollway
had stated that he had already interviewed
the Chief Secretary, who appeared to know
very little about the matter. Mr. Hollway
asked for further time in which to make
enquiries and it was possible that he
would be in a position to discuss the matter

Reports The Principal's Report was read, received
and adopted. Received: C. S. Dhanwell & Jones
Adopted: C. S. Dhanwell & Bealand.

C. G. Bealand in reporting for the Visiting
Committee said that in company with
C. W. Lynch a visit of inspection was paid
to the school on the 9th inst.

In the Plumbing Department they found a
well attended class doing good work.

In the Electric Wiring Department the class
was receiving a lecture. In the Carpentry
Shop another good class was in attendance.

It was noticed in this Department that
the lighting was very poor and it was
suggested that a lighter paint on the
walls and ceiling might improve matters.

In the Blacksmithing Department good classes
were at work both on Blacksmithing and
Welding. They noticed here that students
using the Senary wheel were not equipped
with goggles and it was recommended
that goggles and a sterilizing
cabinet be obtained for the use of students.

In the Machine Shop they found good classes
hard at work and doing good work.

They then visited the Students' Room and
found it in a disgraceful condition.

In the Art Metal Department only one student
