

19-8-42 From there they made their way to the Electric Welding Department where they found a class at work under Mr. J. Chandler. Very good work was being done but Mr. Chandler pointed out that a Pilot Arc attachment would be a very valuable addition to the plant and would enable him to give training in certain types of welding not possible with the present plant. The report was received on the motion of Mr. Maxwell, seconded by Mr. Nicholson.
