

21-10-42 Key found that several windows  
 required repairing. The student room  
 either needs repairing or removing  
 and the skylight in the Museum  
 roof was in a leaky condition.  
 The Education Department, however  
 to discuss with fully regarding  
 the following regulations and also  
 it is to be noted that the student  
 was found to be anything to assist  
 students in their studies or materials.  
 It was said that the small number  
 of students who would come from  
 the area who had just seen a  
 "notice" board, and he felt that  
 parents would be worried and the  
 name of the school and the authorities  
 would be known about through  
 their own efforts. It was suggested  
 to make the name known and in  
 the future to let the school be  
 known.

The report was received on the motion  
 to be discussed at the meeting of the Council.

Minutes Business from previous meeting  
 It was reported that the Education  
 Department had received a notice  
 from the Council regarding the  
 student room. It was noted that  
 the Council had decided to have  
 the room removed without issuing  
 notice to the Education Department.  
 It was suggested that the Council  
 should be kept informed of any  
 developments in this matter.
