

16-6-43 remedy beyond suggesting that extra cleaning a resistance was required. The Committee felt that no matter how many cleaners were employed conditions would be no better unless constant supervision on the part of Lecturers and the Principal was exercised.

It was resolved that a copy of the Visiting Committee's Report be given to the Principal and that he be asked to furnish at the next meeting the report promised for this meeting. (Mrs Bealand & Lederman)

Mr Bealand, reporting for the Visiting Committee for the period May/June, stated that he and Mr Wilson had been unable to make a visit of inspection during the month. He suggested that they be re-appointed for the ensuing month and that course was agreed to.

The reports were received on the motion of Mrs Lederman & Nicholson.

Correspondence The following correspondence was read and received.

10-5-43 From Wangaratta Technical School submitting a case for a Junior Agricultural Course in country Technical Schools.
