

3-5-44

Plan as prepared should be approved or amended to conform with conditions which would exist if the Ch. B. John property and the section of Lydiard Street were acquired.

After a careful examination of the plan and a full discussion of alternative sites for buildings it was resolved that the plan as presented be approved and that a copy be forwarded to the Education Department together with a covering letter stating the reasons for proceeding with the Blacksmithing and Engineering buildings before proceeding with the Woodwork unit.
