

20-9-44

On receiving this assurance it was felt that any attempt to have the plans altered would result in the building being postponed indefinitely. The President and himself then agreed that the proposed buildings be proceeded with.

On Saturday, 16th September the ^{acting} Chief Inspector and the Chief Architect visited the school and inspected the old Court House. It was decided to house the Carpentry and Electric Welding classes in this building while the new buildings are under construction. The Blacksmithing and Oxy-welding classes would be housed either in the battery building or in a building in Anderson Street which is suitable and available. Little trouble was expected in accommodating these classes and the Chief Architect promised to do all in his power to expedite matters.

It was resolved that the action of the President and Vice-President C^o L.A. Lane be endorsed.

Business out of reports

The Visiting Committee's report was read by Cr. B.A. John.

Discoloured Walls in Chemistry Laboratory

The Principal said that samples of this wall had been examined under the microscope but it was not certain whether it was a fungus growth or the action of fumes from the laboratory.

After experimenting it was found that the discoloration was completely removed by the application of a solution of hydrogen peroxide and it was proposed to wash the walls with this solution.

It was resolved that a sample be submitted the C.S. & I.R. for report and recommendations as to treatment.

(Crs Lynch & B.A. John)

It was also resolved that in the meantime the peroxide treatment be proceeded with.
(Crs L. Wilson & W.P. Beantland)

Industrial Management - Executive Training

It was resolved that arrangements be made to give instruction during 1945 to the students who have been in attendance at Secretaryship Training classes and that the fee for such instruction be £2-2-8 per term.

(Crs Beantland & Nicholson)

Assistant Instructor - Art School

It was resolved that the Education Department be requested to reply to the letter of the 1st May containing certain information regarding enrolments
