Mr. J. R. Gordon's application for re-classification. The Registrar reported that information regarding the classification of instructors of similar subjects in other large schools had not been received.

It was decided to defer the matter to the next meeting.

Partition in Commercial Room

The President reported that the Typewriting Room had been inspected. It was felt that although the room was a large one the partition was desirable at present. There was a possibility that the Commercial Classes would be transferred to the Old Court House in the near future and that the partition would then prove very necessary for other classes. It was therefore recommended that the matter be reviewed again in six months time.

The Committee's recommendation was adopted. (Crs Farr & Wilson)

Pottery classes

Mr. John said that the present facilities for pottery classes were hopelessly inadequate and antiquated. In his opinion there was a wonderful opportunity for expansion in this direction if we could take advantage
