Junior Technical School enrolments and accommodation.

Mr M. Hutcheson said that he was strongly of the opinion that efforts should be made to obtain additional accommodation for the Junior Technical School. At present a large number of primary school pupils, who were desirous of entering the Junior Technical School, were unable to do so owing to lack of accommodation, and had to go to Leguhart and Sturmfray Street schools where it was not possible to give them a complete technical school course.

It was resolved that at the next meeting of the Council the possibilities of obtaining additional accommodation for junior technical students be examined. (Mrs Lederman & Mr Hutcheson)
