

16-5-45

Woolclassing Room.

~~The President~~ <sup>Mrs. Leadman</sup> in reporting on behalf of the sub-committee appointed at the last meeting, said that <sup>Mr. Lynch</sup> and <sup>Mr. Smail</sup> had and <sup>himself</sup> had inspected the Woolclassing Room under both day and night conditions and had found that the day lighting was good but the night lighting was only fair.

The building was draughty and dust percolated through cracks in the walls. In the opinion of the sub-committee the expenditure of a large sum of money would be necessary to make the room satisfactory and the real solution was to find a better place for the class. The committee recommended the expenditure of sufficient to eliminate draughts.

After a discussion it was resolved that it be recommended to the School Council that steps be taken to proceed with the building of the next section provided for in the Master Plan submitted to the Education Department last year. (Mrs Leadman & Leadland)

Accounts.

Accounts amounting to £ 2193-18-4 were examined and recommended for payment. (Mrs Leadman & Leadland)
