

15-5-46 Lighting in Dressmaking Department.
 It was resolved that the Principal arrange for improved lighting to be installed in this department.
 (Mrs Lederman & Nicholas)

The Principal agreed to contact the Public Works Department regarding the concrete square in the quadrangle, the fence between the school and the gaol, and also the fence in Albert Street. He said that the Carpenter's Trainees would repair the steps near the boiler house and he would get an estimate of the cost of levelling the grounds below the Junior Technical School.

Accounts Accounts amounting to £2142¹/₄-2 as per Chairman's Book folio 66, were passed for payment.
 (Mrs Lederman & Jones)

Correspondence The following correspondence was read and received:

7-5-46. Education Department. Installation of lights in rooms 1 and 4, Junior Technical School, approved.

10-5-46. Education Department. Lighting in Art school and attention to windows in South wall to be reported on by Public Works Department.

10-5-46. Education Department. Valuation of property south of old Court House to be obtained.

(Mrs Larr & Bealand)

15-5-46. Visiting Committee
 Mrs Sutton and Bealand were appointed the Visiting Committee for the ensuing month, Mrs Sutton to act as Convenor.

This concluded the business and the meeting closed.
