

13-8-46 Council. Mr Robertson was recalled and on being informed of the committee's decision expressed much pleasure with the decision. The President assured Mr Robertson that every endeavour would be made to obtain the Education Department's consent to payment of the maximum salary and removal expenses. As regards a suitable house the members of the Council would be asked to do everything possible to find one for Mr Robertson.

Mr Robertson said that he would be free to take up duty on or about the 7th October and he would like to take up duty about a fortnight before Mr Kerline retired if it could be arranged. It was agreed that arrangements along those lines be recommended to the Education Department by the Council.

This concluded the business and the meeting closed at 5-15 pm.
