Business. Civil and Mining Engineering
Appointment

Mr. H. J. Edwards of Whyalla appeared
 for interview and satisfactorily
 answered all questions concerning
 his qualifications and experience
 He stated however that the housing
 position was causing him some
 concern as he had a wife and
 two children to provide for.

He also felt that in accordance
 with the advertisement he should
 be appointed at a salary higher
 than the minimum as he would
 be put to considerable transport
 expense if appointed. He also
 mentioned that his present salary,
 immediate prospects, and the provision
 of a house by his employer meant
 that on the maximum salary
 offered he would be no better off.
