

14-5-47

Bubble Saps.

The Acting Principal reported that only one bubble sap was available for use by senior students.

It was resolved that the provision of additional bubble saps be left in the hands of the Acting Principal.

(Mrs Jones & Smail.)

Pottery Room.

The Acting Principal said that the provision of additional room for the Pottery classes should be considered in conjunction with the first unit to be undertaken in connection with the long-range plan. Whether it would be better to extend the Pottery room in a westerly direction or to move to other quarters had to be decided.

It was resolved that this matter be referred to the Finance Committee for consideration in conjunction with the first unit to be undertaken as part of the long-range plan.

Withdrawal of Fee Schuition granted to
Nalma Teitch.

The Acting Principal reported that the work of this student had been most unsatisfactory and two letters sent to her parents had been ignored. He recommended that the fee schuition granted at the February meeting be withdrawn.

It was resolved that if her parents fail to respond to a registered letter and an A.R. card the fee schuition

14-5-47

be cancelled.

(Mrs Sutton & Lederman)

Authorities

George Leombes. - Rehabilitation.

(Mrs Ballou & Savage)

Visiting Committee's Report

The Acting Principal said that the floor of the Students' Room had been causing him some concern. The flooring boards were in such condition that it did not warrant the laying of linoleum. The best remedy would be to install a new floor but that was impossible at present, owing to the acute shortage of materials. The Malthead Coping suggested would probably be satisfactory until conditions improved. The painting of the remaining rooms in the old school and
