Museum Roof.

An inspection of the top floor of the Museum was then made.

It was resolved that it be a recommendation to the School Council that the ~~City Council~~ ^{City Clerk} be invited to call a meeting of representatives of bodies interested in the Museum for the purpose of finding ways and means of improving the Museum roof and the building and contents generally.
(Mrs Jones & Farr)

Council Vacancies.

The Registrar produced a list containing the names of six gentlemen who could be considered suitable nominees to fill the three vacancies on the School Council.

The members of the Committee indicated their preferences and it resulted in the selection of names in the following order.

:- Mr. J. Pittson, Ch. L. C. Mr. A. E. Spohn
Mr. R. Taylor, Mr. G. B. Lawry, Mr. R. Moush.
Mr. W. Letheridge.

The President agreed to approach the first three and if it were found that any of them were not prepared to accept nomination contact would then be made with the remaining three in the order in which their names appear.

Inspector in Charge of Mechanical Engineering
After discussing the filling of this position by the appointment of Mr. L. J. Hillman in a temporary capacity as

6-5-47

approved by the Education Department it was decided to defer the matter of re-advertising the position for further consideration in August next.

Assistant Instructor in Engineering

It was resolved that as approval for this position at an increased classification of £540-£620 per annum had been given by the Education Department the position be advertised immediately.

Mrs Jones & Alderman

This concluded the business and the meeting closed.
