Business Diesel Engineers and Mechanics.  
out of The President reported that it  
minutes was intended to set up a school  
in Melbourne which would  
provide intensive courses for those  
desirous of qualifying as Diesel  
Engineers or Mechanics. This  
would make it very difficult for  
Country Mechanics to do the course  
but as it had been found that  
of the five subjects comprising the  
course, three were at present  
taught in technical schools it had  
been suggested that the course  
concentrate on the two remaining  
subjects after the other three had
