

16-7-47 been successfully studied in a recognized technical school. By doing this the course in Shelbourn would be cut down to such an extent that country students would be able to do it without much hardship. This proposal was to be discussed by the Executive Committee of the Technical Schools Association which would report on it.

It was decided to discuss the matter further at the next meeting of the Council when copies of the report were expected to be available.

Maintenance Engineer.

On the recommendation of the Finance Committee it was decided to recommend the appointment of Mr. B. W. Morrison to this position (Mrs. Small & John)

Dr. J. P. Pound's Retirement

The President reported that he had interviewed Dr. Pound who had confirmed his earlier notice of his desire to retire in April 1948. Although he would be prepared to assist the Council to meet the position if difficulty was experienced in finding a successor to him.

It was resolved that Dr. Pound's letter be acknowledged and that he be thanked for giving the Council such early notice of his retirement. (Mrs. Rederman & Jones)

16-7-47. Museum Committee Meeting
 Mr. Rederman reported on the recent meeting of the Museum Committee and said that the City Council had decided to invite the Public Works Department to send one of their officers along to meet the Committee and to discuss the matter of improvements to the roof and the building generally.
