Finance Committee

Special meeting held in the Principal's office on Monday, 1st December 1947 at 3 p.m.

Present The President Mr. E. J. Tippetts (Chair)
Vice-President Mr. J. A. Farr, Mrs. V. C. Jones
and Mr. B. John the Acting Principal,
Mr. R. W. Richards

Apology An apology was received from the Hon. Treasurer Mr. L. Lederman.

Business Interview with Mr. E. A. Budge applicant for position of Head of Chemistry Department.

Mr. Budge, B.Sc., of Swinburne Technical College was present and stated that he was an applicant for a similar position at Swinburne Technical College but at a higher classification. He expected to know, after Thursday of this week whether he was to receive the appointment there. In reply to a question regarding the teaching of Organic Chemistry Mr. Budge said he did not expect to experience any difficulty in taking lectures in this subject.

The practical work was mainly a matter of students working under supervision and from a conversation he had had with Dr. R. Pound he felt that Mr. Geo. Cornell would be able to handle that part of the subject quite satisfactorily.

1-12-47

Mr. Budge undertook to advise the Acting Principal of the decision of the Council of Swinburne Technical College as soon as possible.

After Mr. Budge had retired it was resolved that in the event of his not receiving the appointment at Swinburne he be recommended for appointment here.
(Mrs Jones & Farr)

Next Council Meeting

It was decided that owing to clashes with other engagements of members of the Finance Committee the next meeting of the School Council be held on Friday, 12th December instead of Wednesday of that week.

This concluded the business and the meeting closed.
