Long Range Plan

It was resolved that Mr. P. Everett (Chief Architect) be thanked for the work he had done on behalf of the school in connection with the preparation of plans for the future expansion of the school.
(Mrs John & Furr)

Congratulations.

The President said that he wanted to take the opportunity of congratulating Mr Lederman on his thirty years of service as a member of the school Council. During the last fourteen years Mr Lederman had held the office of Honorary Treasurer and he doubted whether any other Technical school had a better Treasurer. His service over that long period was a credit to the school and an honour to himself. The President's remarks were supported by Mrs L A Furr and V. C. Jones.

Mr Lederman in responding said that he very much appreciated the kindly expressions of the President and fellow Councillors which had come as a complete surprise to him. He had been very happy in doing what he could for the school as it was a job worth while.

This concluded the business and the meeting closed with expressions of seasonal greetings to the President Acting Principal and staff and from
