

14-9-48

The Head of the Engineering Department, the Head of the Chemistry, Army and Geology Department, the Head of the Physics and Mathematics Department and possibly the Head of the Art Department.

He felt that schools should have a definite staffing plan approved, and then both School Councils and the Department would know where they stood.

Mr Hederman in moving a vote of thanks to Mr Nilsson, said that this had been one of the most agreeable experiences he had had. Mr Nilsson had been so helpful in everything and he had pleasure in moving that the heartiest thanks of the Council be tendered to Mr Nilsson.

Mr Stohr seconded the motion and said that the Council had gained much through personal contact with Mr Nilsson.

The motion was carried with acclamation.

This concluded the business and the meeting closed.

~~General~~

Staffing.
Business The Principal reported that owing to the increase in numbers of apprentices attending classes several classes would have to be duplicated. At the present time such duplication would provide half a time table of another instructor on the Engineering side and it was probable that next year further expected increases in numbers would provide a full time table. He felt however that an
