Business Applications for Position of Instructor in Motor Mechanics.

Fifteen applications had been received for this position and on eliminating those who possessed neither an A Grade Certificate nor war service the applicants remaining were Mr. J. D. Hamilton of Geelong and Mr. H. G. Houser of Ballarat.

It was resolved that these two applicants be asked to present themselves for interview during the morning of Saturday 4 December with an interval of twenty minutes between appointments (Mrs Scanland & Lederman)

This concluded the business and the meeting closed.

Finance Committee - Special Meeting

Held in the Principal's Office on Saturday, 4 December 1948, at 10 am

Present The President, C. G. J. Tiffeth (Chair)
Vice-President, C. H. G. Scanland,
The Hon. Treasurer, C. L. Lederman,
Mrs G. B. Lawry and C. A. E. Stohr, the Principal, Mr. A. W. Richards

Business Interviews - Messrs J. D. Hamilton and H. G. Houser.

After interviewing both the above named applicants for the position of Instructor in Motor Mechanics it was unanimously agreed to recommend the appointment of Mr. J. D. Hamilton to the position. The decision was not easily arrived at as both applicants were returned servicemen holding "A" grade certificates as Motor Mechanics. However, Mr. Hamilton's experience had been wider in the particular work needed for instructional purposes and in addition he had added to his qualifications by doing courses in Diesel Engineering and Boatswain Training.

It was further agreed that an early decision be requested of the Education Department to enable Mr. Hamilton to give his present employer as much time as possible. This concluded the business and the meeting closed.
