

20-11-49.
Museum
Building.

The Principal referred to a meeting of representatives of local bodies interested in the Museum which was held in July 1947 and said that a report by the local Public Works Inspector had been forwarded to his Department at the time. As no further action had been taken the Town Clerk had agreed to request the Public Works Department for a report and it was expected that information would be available at the next meeting of the School Council.
