advisable to ask him to come to
Ballarat for interview. The Principal
had arranged for Mr. Hillman and
Mr. W. J. Oberhardt to discuss Civil
Engineering and Surveying with Mr.
Belikov and it was intended
that he (the President) and Vice-
President Mr. P. A. Parr would see
him first thing Thursday morning.
The President said that the vacancy
would have to be re-advertised
so that the present interviews
were more for information than
for making an immediate appointment.
