account and this would probably present difficulties in lectures to students.

The President said that a late application had been received from Mr. A. Hargreaves who had been an applicant three years ago when Mr. Edwards was appointed.

On that occasion Mr. Hargreaves had been recommended for appointment but had withdrawn his application when the Council decided to pay his removal expenses and to guarantee him a house. To clarify the present position Mr. Hargreaves had been informed that the School Council could not meet the cost of his removal expenses or agree to find him a house in the event of his receiving the appointment. He had replied that he accepted those conditions but if the housing position was impossible he would have to withdraw his application. In the meantime he was making enquiries through the local branch of the Commonwealth Bank regarding finance for purchase of a house and had asked the Principal to inform him regarding any flats or houses that were available.

It was decided to defer action on this appointment for the time being.

Business: Annual Arts Training

The President said that it was very gratifying to know that Cabinet had reversed the decision of the Director to concentrate the training of Annual Arts Studentship holders in Melbourne, and had decided that such training would be continued in the large Provincial Centres of Geelong, Bendigo and Ballarat.
