

21-6-50. He noticed that equipment she had been prepared for low voltage instruction in Laym Mechanics in Electric Wiring and felt that this was unwise as a little knowledge was dangerous. Students might be tempted to undertake wiring alterations which should be done by a licensed wireman. He would suggest that instruction in Electricity and Magnetism would be preferable.

The report was received and adopted.
(Mrs Nicholson & Sutton)

Business Illness of Mr D. Mullin, Instructor in Plumbing
out of reports. The Principal said that he desired to thank Mr Shorr for making Mr G. Sedgwick's services available during Mr Mullin's absence.

(Mrs Nicholson & Hawry)

21-6-50. Plumbing and Sheetmetal Work.

On the recommendation of the Finance Committee, it was resolved that the Education Department be requested to approve of the appointment of Mr K. E. Scull at classification C. 1. £700.

(Mrs Shorr & Small)
Instructor in Applied Chemistry and Analysis.

The Principal reported that the Education Department had declined to give authority to re-advertise this position at classification C. 1. £700 but had suggested as an alternative that Mr H. Corwell be employed on a session basis plus a percentage of fees for analyses after the date of his retirement.

Visit to High Schools in Northern Districts

The Principal reported that he had just returned from a three day visit to high schools in Ararat, Horsham, Warracknabeal and Mildura for the purpose of acquainting Head Masters with the courses of study available at this school.

Stewart Request.

The Principal raised a point as to whether the terms of the Stewart Request could be varied so as to permit of its use for other school purposes such as the establishment of a Hostel.

It was decided to leave the matter in the hands of the Principal to discuss with the Education Department.
