

21-3-51

The Council.

Moulding Classes

The Chairman agreed to ascertain the number of apprentices in moulding in Ballarat and report at the next meeting.

Back to S.M.B. Week.

The Principal reported that everything was in hand for the various functions commencing on Tuesday, 10 April.

On the Tuesday evening ex-students would be welcomed back and then conducted over the school in parties. Arrangements had been made for most practical classes to be in operation that night.

At 9-30 the visitors would adjourn to the "Wattle" where light refreshments would be served.

On the three succeeding days visits of inspection would be made to local industries and on the Saturday night a cocktail party at Craig's from 5-6 pm followed by dinner at the Art School, dancing etc.

The annual prize-giving function and dance for local students had been incorporated in the week's functions and would be held at the Town Hall on the Friday night.

It was decided that the cost of entertaining the visitors on the Tuesday night be borne by members of the Council and that members supply cars if required for the various visits of inspection.

21-3-51.

It was also decided that a copy of the programme and details of transport requirements be forwarded to each member of the Council.
