and were confirmed.  
(Mr. Small & Bealand)

Business Parents and Friends Committee  
minutes The Principal reported that the Ladies  
who had played an important part  
in connection with, catering for the  
Trice Recreation function had  
met that day and had decided to  
meet again in June with the intention  
of establishing an association which  
would interest itself in the  
provision of school amenities.

Education Week

The Principal reported that he had  
attended an Executive Committee  
meeting on Monday 7<sup>th</sup> May. The space  
made available to the school would not

permit a large display and no further  
space can be made available as  
the hall has to accommodate all  
stages of education in Dallas.  
It was agreed that the school  
would co-operate with the other  
schools and would also hold an  
open night during Education Week.

Reports The Principal's Report was read, received  
and adopted.

Visiting Committee's Report.  
Mr. Nicholson reported that an inspection  
of the Art School, Assay and Chemistry  
Departments and the Students'  
Room had been made by Mr. Callow  
and himself on the previous Friday.  
They were impressed by the air  
of tidiness and cleanliness everywhere.  
They found an excellent  
display of paintings and drawings  
in the corridors of the Art School.  
Some of the desk tops were in  
poor condition and they felt it  
desirable to cover all the floors  
with linoleum if found possible.  
The Assay Department was a credit  
to the Inspector, Mr. J. P. Allott, who  
was putting a lot of work into his  
department. They were pleased  
to find the Chemistry Department  
much brighter as the result of  
improved lighting and so, noted that  
the exhausting system for fumes was
