

15-8-51 Visiting Committee's Report

Mr Beadland reported that an inspection of the Dressmaking, Electrical and Woodclarsing departments had been carried out by Mr Jones and himself on the previous Thursday evening. Owing to the state of the weather classes were poorly attended but equipment was in good order and instructors had no complaints or requests. They were impressed by the transformation which had been effected in the old army huts now used for Motor Mechanics and Woodclarsing instruction. The report was received and adopted (Mrs Small & Lynch)

Business out of reports

Maintenance Mechanic

Authority was given for the appointment of Mr A. J. Roberts from 6 August as maintenance mechanic in place of Mr D. Morrison, resigned. (Mrs Beadland & John)

Education Week

It was resolved that a letter complimenting members of the staff on the excellent exhibit in the Alfred Hall be forwarded to those responsible (Mrs Small & Lutten)
